Ding ding dong
Bells are ringing for me
It's a magical mystery melody
Ding ding dong
How can I make you see
It's a magical mystery melody

I hear a magical sound
Every time that you're near me (near me, near me)
It's got me spinning around
Every night, every day
(Every night, every day)

What can I say, what can I do
I know one day you'll see it too

Ding ding dong

It's a magical mystery melody

It's a magical mystery melody

Naa na na na na na na na na na
Na na naa na na naa na na na na na
Naa na na na na na na na na na na
Na na naa na na naa na na na na na

I know it's hard to believe
But let me show you a secret (secret, secret)
I hold the magical key
Just let me open your heart
(Just let me open your heart)

What can I say, what can I do
I know one day you'll see it too
