

This Is The Time (Eoo Eoo)

Eoo-eoo, eoo-eoo
Eoo-eoo, eoo-eoo

One sunny morning
I was feeling wild and free
That's when I saw you
And I knew you were the one for me

That sunny morning
Everything was clear to me
Let's be together
'Cause I know you'll make me happy

You are my everything
So come along and sing with me

Eoo-eoo
This is the time of my life
Just wanna go eoo-eoo
And let the summer stay forever
Eoo-eoo
This is the chance of your life
Let me hear you say eoo-eoo
'Cause we will always be together

You told me sweet words
Things you wanted me to hear
About the future
You said, "Do you wanna share it with me"

That sunny morning
Everything was clear to me
Let's be together
'Cause I know you'll make me happy

You are my everything
So come along and sing with me

Eoo-eoo
This is the time of my life
Just wanna go eoo-eoo
And let the summer stay forever
Eoo-eoo
This is the chance of your life
Let me hear you say eoo-eoo
'Cause we will always be together

As I look back through the years
And think of all that we've done
You don't know how much you've meant to me
And baby, it just goes on

Eoo-eoo, eoo-eoo

Eoo-eoo
This is the time of my life
Just wanna go eoo-eoo

And let the summer stay forever
Eoo-ooo
This is the chance of your life
Let me hear you say eoo-ooo
'Cause we will always be together

Eoo-ooo
This is the time of my life
Just wanna go eoo-ooo
And let the summer stay forever
Eoo-ooo
This is the chance of your life
Let me hear you say eoo-ooo
'Cause we will always be together
