

## Tomoe

SMiLE.dk

We were running in a tomoe, tomoe  
Running, running, aie, aie

We were to save a little young girl in a castle  
She's run away and couldn't find her way back home  
We had a map to follow to the little castle  
But we got worried 'cause she's far away from home  
But then, we finally see

We were running in a tomoe, tomoe  
Running, running, aie, aie  
Running in a tomoe, tomoe  
Couldn't find her anywhere, anywhere

We were to save a little young girl in a castle  
We couldn't find her in a place where we called home  
While in the forest, tried to find the little castle  
And we got worried cause she's far away from home  
But then, we finally see

We were running in a tomoe, tomoe  
Running, running, aie, aie  
Running in a tomoe, tomoe  
Couldn't find her anywhere, anywhere

Stop, look, what do you see?  
It's that little girl waving for me  
Stop, look, what do you see?  
No, it's just that same old tree

We were running in a tomoe, tomoe  
Running, running, aie, aie  
Tomoe, tomoe  
Running, running, aie, aie

We were running in a tomoe, tomoe  
Running, running, aie, aie  
Running in a tomoe, tomoe  
Couldn't find her anywhere, anywhere

Tomoe, tomoe  
Running, running, aie, aie  
Running in a tomoe, tomoe  
Couldn't find her anywhere, anywhere
