

## Aneurysm

Smile Empty Soul

Come on over and do the twist  
Over do it and have a fit  
Love you so much it makes me sick

Come on over and do the twist

Beat me out of me - Beat it! beat it!  
Beat me out of me

Come on over and do the twist  
Over-do it and have a fit  
Love you so much it makes me sick  
Come on over and shoot the shit

Beat me outta me - Beat it! beat it!  
Beat me outta me

She keeps it pumping straight to my heart
