Smile Empty Soul

Gimme, me, me, me, me, everything for free
Momma said that I'm the best and you know that I believe
Heard there's people out there in the world that disagree
So I'm screaming like a motherfucking baby in the streets

Gimme, me, me, me, me, everything for free
Momma said that I'm the best and you know that I believe
Heard there's people out there in the world that disagree
So I'm screaming like a motherfucking baby in the streets
