

Same World

Smile Empty Soul

We live here together
Apart of whatever
Whatever you may call this
We're swimming through this bullshit
We all want it to be better
But we're turning on each other
Are we missing where the heart is
And only getting heartless

And I don't feel that we
Are living in the same world
In the same world
And I don't feel that we
Are living in a sane world
In a sane world

And I don't feel that we
Are living in the same world
In the same world
And I don't feel that we
Are living in a sane world
In a sane world
