

Yo

It's just another day on tour, but I feel bored

Yeah

Yeah, it's just another day on tour, but I feel bored (London)

I see the things that money do, so I want more (Still more)

She look like Tens, you know I like finding tens (Ten piece)

I keep bendin' all these corners for revenge (Uh-huh)

Used to stand up in the ends doin' all-nights (Hello)

I been puttin' people first for my whole life (Not no more)

I see you travel out west for the holidays (I see it)

Free my niggas that be waiting on their trial dates (Free my niggas)

I got some corporate niggas still doin' foul play (Like, gang)

I used to fuck this lil' thottie from the gallow way (No way)

I got some east-

end girls that give their heart away (Gimme that)

I got some east-end niggas still right, today (Today)

It's not the same now, I'm writin' all the pain down (Write it down)

I just go to Harbour 60 for sum steak now (The sixty)

I hear my shit on the radio all day now (Run it up)

I had this girl that I liked, but she a les' now (She's lesbian)

I been goin' too fast, needa slow down (Stop)

But my favorite bitch call me the goat now (I know I am)

We just some 6ix side kids, doin' 6ix things (6ix, 6ix)

I'm in the stateside, fuckin' on a lit bitch (Uh-huh)

She a lil' freak bitch (She pretty), my lil', lil' freak bitch (Bet)

Trappin' outta metro housin' (Woo), gotta keep a lil' hammer (Keep it)

Bitin' rapper, be a trapper

Fight in trap, be a scammer (Scam that)

Shoot his hood, make 'em scatter (Brr)

Fuck my opps, them niggas lackers (Fuck 'em, yeah)

Yeah, all you do is talk, bitch, go start a podcast (Start it up)

The brick so potent, you can smell it when I walk past

Make sure he's dead, finish him like Mortal Kombat

Woo, yeah, that 6ixside shit

Toronto, I could never leave Toronto

I could go to L.A. for a bit, but, you know I always have to come back

This is where we came from, it's so much thing we did over here, man

There's more to do, I'm out here

Run it up
