I got a Draco that beats I got a bad bitch on fleek
I spend a hunnid on her she bring it right back to me
I push a Bentley betayga but she know that I got a fleet
I'm the big boss and none of you nigga is playing with me
I got the game but I won't be selling that shit for free
Nigga is snitching lil nigga you better go cop a plea
I'm on a mission I got my target lock I ain't gon miss him
They said I'm a blessing cause I made it out of the federal prison

I'm downtown trapping I was bussing a pack but shout out to red
Fuck the courthouse on Jarvis I don't wanna eat no bun and cheese
I'm with b13 the 30 inside of his cackie jeans
If they do a take down again on the guys I might call Brian Steele

Who
Who
Brian Steele
No telling no telling no telling these niggas is telling forreal
Geeked off these shrooms
Telling my lawyer that we are not coppering no deals
They gave me bail now I'm on road I'm keeping my macheen concealed

This remind me of the time on san ysidro on top of the hills
I might call dr sandy tonight if I'm drunk and I'm popping a pill
My neighbor look bad
Strong lil 7 just like a Mill
These niggas are sad and crash outs
R.Kelly sitting with Gail
