This ain't no race but you know that I run it  
She on my body put dick in her stomach  
I went and got everything that I wanted  
Walk in the spot and I cash out  
She in the crib with her ass out  
Look at me I took the fast route  
Look at me I took the fast route

Ovo Bob man you know the team  
Omg that's your queen I just fuck and leave  
Gotta a glock on my side and it's stuck to me  
All my dogs gonna slide if you fuck with me
