

I started with a rusty, upgraded to a revvy
.9 on me, you can't test me, ice on me like Gretzky
Gretzky, Gretzky, first day we met she let me
Put work inside her panty, her pussy wet like jet skis

First night we met was breezy, she let me, you get me?
My neck on ice like Gretzky, her pussy wet like jet ski
She tryna blame the Henny, next day she want some Denny's
My ring ain't cost her plenty, my bitch, she want some Fendi's
My opps, they tryna end me, but they can never get me
My daughter wanna see me, this lifestyle gets so breezy
My team will never trade me, these cops, they always raid me
They tryna tap my cell-y, I put her in a telly

Word on road they lookin' for blacks, so I got me double nines
Can't be showin' racks on the 'Gram when you get grams to sign
Hop out the whip, flavor on drip, takin' one day at a time
