

Hammer

Smiley

Uh? Live Szn. OLN, it's gang shit. Free Baby

(T- on the beat)

Hammer, hammer, she hold my hammer (She hold my nine)
I used to have my stick all up in Amber's (My live bitch)
She just hugged me up and felt my hammer (She felt the nine)
I swear to God, I think that made her wetter (It made her melt)
She left her man for me, I'm doing better (So much better)
All this ice on me, I make her wetter (Ice tray)
We rockin' so much ice, we change the weather (Brr)
I just got a glizzy with a laser

I just bought a glizzy with a green bean
That's a little present for my opp team
I will never tell if they caught me
That's one thing a nigga never taught me
Live Szn mixtape, get a copy
My live, little nigga want a body
My work goes quick like a 'Rari
Fuck the car, I bring it in the party
A bitch can't stop me, I'm too focused
I pull up in a Benz now, no focus

Hammer, hammer, she hold my hammer (She hold my nine)
I used to have my stick all up in Amber's (My live bitch)
She just hugged me up and felt my hammer (She felt the nine)
I swear to God, I think that made her wetter (It made her melt)
She left her man for me, I'm doing better (So much better)
All this ice on me, I make her wetter (Ice tray)
We rockin' so much ice, we change the weather (Brr)
I just got a glizzy with a laser

Hammer, hammer, clutchin' my hammer (Clutch it nice)
Brand new .45 compact, light like feathers (So light)
If she held more than eight, I would have kept her
(I would have held her)
Can't trust a bitch with' it, my nigga never (Never)
'Cause bitches out here changin' like the wether (Like the seasons)
Hammer, hammer, just bought a ladder (Bought a .30)
.30 keep on pokin' out my sweater (Why?)
She left her man for me, I'm doing better (Doin' good)
She just want my kid, she wants me blesser (She wants me blesser)
She want me hold her down, she think she clever (She thinks she's smart)
I could break a bitch, I'm a finesser (I'm a finesser)
I just want some more, man, nothin' lesser (Nothin' lesser)

Hammer, hammer, she hold my hammer (She hold my nine)
I used to have my stick all up in Amber's (My live bitch)
She just hugged me up and felt my hammer (She felt the nine)
I swear to God, I think that made her wetter (It made her melt)
She left her man for me, I'm doing better (So much better)
All this ice on me, I make her wetter (Ice tray)
We rockin' so much ice, we change the weather (Brr)
I just got a glizzy with a laser
