I heard he dropped no one playing that
Take my credit card you could pay with that
So much up and downs like wonderland
Trap jumping like spider man
Feel like venom of this jigah boo
Sign a deal for like a mill or two

She used to meet me on the avenue
Ya I know you like penthouse view
I wanna meet you in Hawaii
Cary the 6 like kawai
Buy or bye this bitch bye
I love my hoes I'm so bias
I give her molly make her try it
I swear tomorrow's mks trial
Forgot my taxes better file it
He wanted a half chick I eye it
How he the shooter and the driver
October scary Michael Myers
You don't have billionaire friends what we talking bout
We all winning Glizz just bought a house

I'm really drinking in moderation
Buy or buy it's an operation
You know it's Monday so let me motivated him
I shouldn't even talk I'm so Intoxicated
I'm so name brand gotta switch locations
I sign producers now I give em placements
I'm so focused I know this shit contagious
Cullinan this bitch a space ship
It's like a strip club just watch the ratio
What I go thru it's really in my notes
I use her house my rent, I give her tokes
I get amnesia so I hate to smoke

I was on house arrest I kept the roach
She want cc his budget coach
You a sag for your birthday you want a new coat
I popped a perk and then a addy now I feel em both
My kinda date is the studio, her pussy wet got me singing like durkio
I can't bring you to my house I don't trust these hoes
All these perkys in my pocket look like cherios
I didn't wanna go to school I had to save me first
Always late for school but had to make the trizzy first
I left the trizzy but I'm still alert
I met my garden bitch from going to church
All this fake love, it really hurt
I'm in a Honda with a uzi vert
I stopped fucking down the place don't want her pussy burn
I'm getting trap money my four pockets filled with germs
I looked it over you could sign it I already seen the terms

I'm really drinking in moderation
Buy or buy it's an operation
You know it's Monday so let me motivated him
