

Rippers

Smiley

Throwin' bands in her ass
Throwin' bands in her ass
Throwin' bands in her ass, yeah
Throwin' bands in her ass
Throwin' bands in her ass
Throwin' bands in her ass
For a stripper who's mad, yeah
Throwin' bands in her ass
Throwin' bands in her ass
Throwin' bands in her ass
Throwin' bands in her ass
Throwin' bands in her ass

Yeah, this is something for the rippers
Makin' money then tip her
Throw a band like you miss her
She the miss, I'm the mister
In the club, I won't diss her
On the road, I dismiss her
I only love when she dance
Only love when she dancin'
Only love when she dance
Only love when she dancin'
Only love when she dance
Only love when she dancin'
Only love when she dance
Only love when she dancin'
Only love when she dance

No time to romance
Break her back, whore attracts
Leave a bitch, her some racks
Hit a kill with the pack
When it's done, do a dab
She tap, bobbin' her ass
LV on her bag
If she type my name, that's my bish
She take a rich, she a savage
I'm doin' shifts, I'm doin' damage
I'm always up in them traps
My manager can't manage it
I get the work and I vanish it, yeah
I ain't into no sneak dissin'
I'm lookin' back, is she peepin'?
Fuck with me and just teach him
I teach that boy what that money do
Live niggas doin' money moves
Fuck with me and see what money do
Live niggas doin' money moves
Fuck with me, see what money do

Yeah, this is something for the rippers
Makin' money then tip her
Throw a band like you miss her
She the miss, I'm the mister
In the club, I won't diss her
On the road, I dismiss her

I only love when she dance
Only love when she dancin'
Only love when she dance
Only love when she dancin'
Only love when she dance
Only love when she dancin'
Only love when she dance
Only love when she dancin'

Yeah, this is something for the rippers
Makin' money then tip her
Throw a band like you miss her
She the miss, I'm the mister
In the club, I won't diss her
On the road, I dismiss her
I only love when she dance
Only love when she dancin'
Only love when she dance
Only love when she dancin'
Only love when she dance
Only love when she dancin'
