

Wave The Flag

Smiley

Don't make it worse for them How can I learn from this
I never thought I'd make it big how can I grow from this
I see your baby left you thick you lil thickiana
Only weezy on her playlist she Louisiana
I'm trynna tell her how I feel but I'm a bias nigga
I only wanna fly private I'm a private nigga
It's like I have to pop addys to get in those feelings
I gotta keep it on my lap I don't want conceal it
I only wanna do the song because I wanna fuck you
I'm charging 20 for the feature label don't want you touch me
When my bitch was pregnant I wasn't there I bought her puppy's
I got some bitches that I like that think my name is joshy
My new tape a different sound pls don't ever box me
Why the fuck you tell on nigga is your name tikashi
I know it rhyme but my bm actually at hibachi
That was Harvey it wasn't me that sent that shit to bobby
I like brown skin bitches that went and bought a body
I flew ryda to Miami just to fuck a baddie We in the trap booby
trap I had to give him Ashley
I'm in Toronto but my La bitch she want me badly
We in the Virgil but I swear we used to call a taxi
He's not a virgin cause he shot a kid and made him bleed
I showing drake I got a shooter trynna shoot his veechs
I don't take cash no more the wires come in large amount
Crack heads walking in my hood you gotta stand around
It's about time all these nigga wave there flags around

Nigga bitch nigga wack nigga tag along
Wanna get it how I get it go and write a song
Can't wait to pull up on my exes with this bently truck
Can't wait to pull up on my exes with this bently truck

Only weezy on her playlist she Louisiana
I'm trynna tell her how I feel but I'm a bias nigga
I only wanna fly private I'm a private nigga
