

# You Went Ghost

Smiley

Your ass so fat fuck them bitches still hating on you  
I'm at delialas we was supposed to meet I was waiting on you  
You ain't show up and I still didn't accept it yet  
You know I'm working bout to show you how my summer gets  
So much long nights trapping trynna chase a check  
All these niggas you done fucked and I'm still the best  
When I come back from tour make that pussy wet  
You went ghost I still don't know you could've checked your text

You could've checked that shit, I'm in a maybach trynna figure why I left li  
ke this  
I'm so intoxicated she so bad when she left I start masturbating  
2 story condo and the chefs just waiting  
Why all these games we playing  
New glizzy like a ray gun have these niggas dropping  
I'm so ovo sound can't sign another offer  
I love my garden bitch when shit got hot she hid the chopper  
All these studio nights the reason why I lost her  
I'm in a ghost I kind feel like Casper

No lil boy I'm in the big leagues, I'm in the industry babe it get sticky  
I see you pregnant again what the fuck  
I hate 12 they always taking my stuff  
I know my life good but this ain't enough  
I gotta meet you inna real life  
Can't be stopping at no red lights

I'm at delialas we was supposed to meet I was waiting on you  
You ain't show up and I still didn't accept it yet  
You know I'm working bout to show you how my summer gets  
So much long nights trapping trynna chase a check  
All these niggas you done fucked and I'm still the best  
When I come back from tour make that pussy wet

You went ghost I still don't know you could've checked your text  
Ya  
You could've checked that shit

I can't party for free I don't like clubs  
I'll never hate I wish you more love  
Brought my youngings to the trap got a class in session  
To much time I'm spending, yeah bae I gotta wear protection  
I love staring at your stretch marks  
I let you cum first head start  
I got 3 Aquarius hoes obsessed with me  
And 1 of them used to friend zone me  
I'm an angel baby

I'm at delialas we was supposed to meet I was waiting on you  
You ain't show up and I still didn't accept it yet  
You know I'm working bout to show you how my summer gets
