

YYZ - LAX

Smiley

I was on one
PrettyBoyRon

I was on one tryna get my trap runnin'
I was eighteen tryna get my gun stuntin'
Lil' bitch from the hood wanna get me
I was a FB tryin' with Lexi

I was a young boy tryna get her prezzy
All of my guns might sound with a Dezzy
I put a 10 on his back like Messi
In the studio, I was trappin' with Jessi

Orlan' on my arm and my bestie
I was out St. Clair trappin' with Becky
And he can't forget Mitch with the Fenty
I was at Ajax movin' real messy

Love the gang 'cause they shoot to protect me
I ain't stoppin' I'm movin' like Gretzky
That's if that she was drivin' in a Lexy
With your app 'cause these hoes can't text me

Ask Nia, she was trappin' like a vetski
Ask Denny, he'll tell you how he met me
Fresh life and you niggas can't get me
I'm so lit now these hoes gettin' petty

I was servin' half a buzz to Benny
My own beam ting gotta get this money
Y'all see me on tour with my broski
Ask Scott like, why did you choose me?

Do you know what I could do on my name now?
You know what she do for the fame now?
I'm with Brit and you know he got his G's now
I play chess boy, I ain't gotta play now

I was on one tryna get my trap runnin'
I was eighteen tryna get my gun stuntin'
Lil' bitch from the hood wanna get me
I was a FB tryin' with Lexi

I was a young boy tryna get her prezzy
All of my guns might sound with a Dezzy
