Smino

Bitch off the white, that's Phoebe  
Put her on the wall like a TV  
She back that ass up, mm, bb  
I'm off the Julio, Don Cheadie  
Baby on discs, no CD  
Gotta see it to believe this  
Say my name in vain, nigga, believe  
White folks love it when I sing  
Keepin' bitch in line like Beijing  
Moshin' in the pussy, I'm ragin'  
Punk rock bitch get the spliff (Uh-huh)  
White folks at the show saying nigga  
Can't tell if they said the ee-eer  
If that dude fuck around, say the ee-eer  
Hit him with the quick right like a detour  
Cracker with the wood, I'm Jeter  
Bitch wanna bone, femur  
Pussy bad, lil' baby I'm a Libra  
Pussy bad, lil' baby I'm a Libra  
I'm at the door waitin' on a pack of corn  
Been on the run, feelin' like I'm Jackie Chan (Uh)  
Foot on the road, my life a circus home (Yeah)  
Made my phone ring-a-ling for the ding-a-ling (Brr)  
I'm goin' off that recently, hit it easily  
She jumped on the wood, got more wood than Genesis  
Well nigga, well that don't make me no difference  
(It don't make me no motherfuckin' different)

Change my damn mind a whole lot  
Nigga got 'fro on locks  
Prolly get locks, wanna chop  
Prolly let him live, prolly not  
Close range aim, take a shot  
Kush stank, hunnid socks  
Smoke me a blunt and forget  
I fucked your old lady

Ooh, ooh, ooh, ooh, ooh, ooh  
She already decided, nigga  
Smi-ooh, Smi-ooh  
Smi-ooh, Smi-ooh, ooh...
