

# Matinee

Smino

Ooh, I been drinkin' all night  
Drop it in ya jaw, right now  
Pop yo' shit, it's all right  
Poppin' out like smoke  
Droppin' off yo' hoe  
At your crib later on  
At your crib later on

I been drinkin' all night  
And I'm smokin' all right  
St. Louis to Shanghai  
St. Lucia, can't lose, we loose, we Goose'd up, baby

My baby do it like she tryna pay her rent  
(Ooh-woo, ooh-ooh-woo)  
East L.A., live in the Wood, I feel like Clint  
(Ooh-woo, ooh-ooh-woo)

Aye, I know the whole world just a matinee  
But pull down your mask, hit this gas wit' me  
Yeah, huh, hold it  
Puff that stuff, now hold it  
Got twenty chickens on the phone, I feel like Tony  
I wanna take you to the crib, I wanna own it  
I wanna hone it, I wanna bone, damn  
Man, somebody tell her, I'ma grown man

I romanced her, I enhanced her  
Diamonds dance in the Tesla  
Electric slide, get it?  
I don't text her, let it fester (It's the truth)  
I don't stress her, I just stretch her (Like I do)  
I'ma wrestler, Broccoli Lesnar  
And he clever, call me Trevor  
If it's cold, I Moncler her, make no error  
I'm the gold, I'm the treasure  
I'ma rare bird, oh

I been drinkin' all night (I been drinkin')  
And I'm smokin' all right (Got me thinkin')  
St. Louis to Shanghai  
St. Lucia, can't lose, we loose, we Goose'd up, baby

My baby do it like she tryna pay her rent  
(My baby do it like she tryna pay)  
East L.A. up in the woods I feel like Clinton  
(Ooh-woo, ooh-ooh-woo)

Divas, digits, and dollars, prolly won't ever change  
If I do, I put it in cup, like, "Glad you came"  
Mike Jones, we tippin', baby, you think I'm playin'  
Suck me, pay your tuition, thank me at graduation  
I really can't fuck up on the mission  
Time cruise by, gotta get shit now  
Straight to the biscuit, soon as, I wake up and I  
I'm so fly I flew  
I'm so high, I'm who?

Light on my feet like a moth, I'ma motherfucker

St. Louis gotta show me wassup (Ah yeah)  
I heard Chicago got the shit sewed up (Ah yeah)  
I heard Atlanta got some big ol' butts (Ah yeah)  
Louisiana got some big ol' butts (Ah yeah)  
Houston, Texas at the Turkey Leg Hut (Turkey leg)  
Dallas, Texas meet me at the bazaar (Right over there, uh)  
I like L.A., they let me smoke at the bar (Ah yeah)  
D.C. wit' a lil' chocolate bar (Ah yeah)
