Smino

You been on my mind more than a minute
I was wasting time splitting decisions
But when I pick you up
Imma take you down
You been on my mind more than a minute
I was wasting time splitting decisions
But when I pick you up (When I pick you up)
Imma take you down

Damn
I used to sweat her a lot (Sweat)
I was like Tyler the Creator (Swear)
You acting different (Swear)
I'm really tired of the theatre (Oh)
I'm getting tired of LA (Yeah)
It might be time to relocate, (yeah) again
Blessed and highly favored (yeah)
We all petrified by paper (Mhmm)
Couple of them pretty piano beats
So I can sing out the balcony
Shakespeare was probably black
So we Romee-Rome and Julissa
We run the town and the Teesla Her Telfar and my motor vegan
I call just to see if yo momma decent
We go back like hairlines
Beijing trips red eyes at the airline
Paging me at the gate cause I'm late you know me came straight from the stu'
got deadlines
And that was yo' flatline
Treatin' girls from my past like past time
Had to learn nowadays ain't something I wanna pass down
Blacked out bish caught me with my pants down
Never again never again

She doin alchemy off the alcohol quarter after three
Al Green on got it on repeat girl you all I
(Al Green)
Al Green on off the alcohol she on alchemy
Coming after me what she say to what she say to me

Said she's tired of being at home she's so tired left on her own
Won't you pearl for your girl just as soon as you can
(Come soon come soon)

You been on my mind more than a minute
I was wasting time splitting decisions
But when I pick you up (LUV)
Imma take you down
You been on my mind more than a minute (LUV)
I was wasting time splitting decisions (LUV)
But when I pick you up (LUV)
Imma take you down (LUV)

She had me up all night, egging me on
She cooking breakfast, bra and her thong
If I do her night right top in the morning (top in the morning)
It's only real when it's physical

Seems like it only get deep when I dive in it
(Dive)
(Ooh)
I lean it on your mind when I wine in it (Wine)
(Ooh)
I just bought you new Cartiers now you crying in it (Ooh)
And now it's hard to walk away cause we blind in it (Blind)
Don't know when to quit my love (Nuh-uh)
Never shoulda' crossed that line (Yeah)
You said I'm the shit my love (You said I'm the shit my love)
Then tell me I ain't shit my love

She doing alchemy off the alcohol, quarter after 3
Al Green on got it on repeat girl you all I
(Al Green)
Al Green on off the alcohol she on alchemy
Coming after me what she say to what she say to me

Said she's tired of being at home she's so tired left on her own
Won't you pearl for your girl just as soon as you can

You been on my mind more than a minute (It's been damn near an hour)
I was wasting time splitting decisions
But when I pick you up (And I'm still waiting on him) (LUV)
Imma take you down (Chris, stop playing with me I know you see me calling yo
u)
You been on my mind more than a minute (LUV)
I was wasting time splitting decisions (LUV)
But when I pick you up
Imma take you down (LUV)
(I been blowing you up these last few days, and you still ain't hit my line
back like Chris, What's up?)
GUCCI SKARF
You changed my whole outlook good looking out
These hoes left holes in
My heart
Heavy on the kickback
Nothing outside
Some of the nostalgia
Every time I spin this block I think I'm calling it
It's obvious I'm not over it I'm still under the influence
Suddenly sober
We still serving these dreams like life could be wholesome if ya live by Who
le Foods and get out and fold them
Ain't nobody did it like me when my leases need greases and pony tail holder
s
I can't get that shit from no Krogers
Ya hello
Hello
(Hello)
(Hello yes)
Yeah dis Krogers?
(Yes this is Krogers, Can I help you)
Y'all got woods?
(Excuse me?)
Like, like backwoods
(Sir no this is Krogers)
Al, Alright, alright, alright, al
(Sir)
Well, shit was your name
You Sound Cute
(Boyyy Heh, Quit Playin)
I'm forreal

(Sir Is there anything else that you need?)
I must a caught Deja-Vu (Deja Vu)
You should quit ya day job (Day job)
Boo
(Is there anything else you need?)
Baby, Baby
Ok thank you
(Okay)
Buh-bye
(Bye)
