Smino

Ooh, ooh (ooh)  
(Woah, Kenny)  
Hey, hey, hey

Choke on the Cheech, I'm coughin', tell 'em throwin' weed in my coffin'  
Said we name her Jupiter, if we ever had that daughter  
We didn't plan, then it popped up, ran out of space in Chicago  
I'll prolly delete this note, before it reach my mama  
But fuck it, I'd prolly record it, you know a nigga love your trauma  
My nigga say I'm a demon, mentioning Loch Ness Monster  
I'm workin' like supervisor, can't feel your legs, Joe Swanson  
On the bread, good garlic, my shit spin, good toilets  
Come and see like, Charlotte  
When the pain sting like hornets, lil' shorty  
I'm on a run like Jackie Joyner  
Don't get attached to me, that's a catastrophe  
I think I have to be by myself

'Cause we don't get along, long  
Oh-oh-'ong, oh, oh, oh-'ong  
I could leave your ass alone  
'Oh-oh-'one, (woah), Oh-oh-'one  
Cause we don't get along

(Shut up)  
You shut up bitch, you shut up bitch, uh-uh  
Wait, you scandalous, you're scared of this, I know  
Yeah, we better than this, better off apart  
It is last call for passengers travel  
I gotta fly at midnight  
Running late, running through red lights  
Rare ice on my red-eye  
Text read, no reply  
Ready set, Goku  
Check my [?]  
You crazy you killing me, you Krillin me  
You foul, you in the penalty  
Goddamn, your mama remember me  
She said, "I liked that nigga"  
In the terminal, packing all terminally, terminally, terminally, terminally  
When we used to have drive like Infiniti  
At the thing from the side like infinity  
Yeah, I'm sure she remember me, I gotta leave

'Cause we don't get along, long  
Oh-oh-'ong, oh, oh, oh-'ong  
I could leave your ass alone  
'Oh-oh-'one, (woah), Oh-oh-'one  
'Cause we don't get along, long  
Oh-oh-'ong, oh, oh, oh-'ong  
I could leave your ass alone  
'Oh-oh-'one, (woah), Oh-oh-'one  
'Cause we don't get along
