Reverend

Smino

I halt, had to stop, had to look to my right (I looked)
I walk 'round the room, it was clear as Sprite (Oh)
Everybody riding ain't gon' steer you right (No)
You can't help nobody 'less your spirit's right (No)
And that some shit I learnt myself, uh
I touch that water, feel like reverend
The money long and my hair long

Keep the family straight, I couldn't put that shit a better way
