Smino

See, baby, huh  
Drip like I jumped right off in the lake  
Forgot I can't swim, now I'm stuck, hyperventilate  
Drowned in my drip on that ho  
Think I see the shore, I'm not sure  
If I don't touch the bay and I drown here today  
Know that drip just a leak in my ship  
Did it for the pussy  
Niggas get necked after hopped out they pussy  
Buying Maybachs 'til they broke on they back  
Tell the truth, nigga

You look like you talk too much  
You front yo' move, you don't do shit  
All that talk, you strugglin' bruh  
You strugglin' sis, we not stupid  
All that drip, you drown, you drip  
You drown, drip-drip, drown-drowned in it  
All that drip, you drown, you drip  
You drown, drip-drip, drown-drowned in it, huh  
(I was told) Make money, don't let the shit make you  
(That the code) Be yourself, they-a better respect you  
(If they don't) Bring it to they neck, tux see-through  
Blood suckas close, nigga swat the mosquitos  
(I was told) Make money, don't let the shit make you  
(This the code) Be yourself, they-a better respect you  
(If they don't) Bring it to they neck, tux see-through  
Blood suckas close, nigga swat the mosquitos

Mark my turds, I'ma shit on these nerds  
Bock-bock, he scared to shoot, he chicken curry  
I'm Port Antonio, Jamaica swervin'  
Don't call my phone unless it's urgent, heard me  
Cold as February, we sauced up like Nandos  
Ho, the Peri Peri very necessary  
I'm swervin' early, 7:30  
Movin' off adrenaline, damn did you sleep? (Barely)  
Crushin wit' my niggas to the boatloads, where we  
Seen a couple land hoes, seen a few fish niggas  
You ain't got Talapia, really you a shrimp nigga  
I be in that water like a ship  
I just won another chip with them zilch niggas  
Zilchy, baby  
Fuck up the rule like I'm 50, baby (G-G-G)  
Jump on this stick and start shiftin', baby  
Tryna blow out yo' engine, baby (Skrtrt, skrtrt, skrtrt)

You look like you talk too much  
You front yo' move, you don't do shit  
All that talk, you strugglin' bruh  
You strugglin' sis, we not stupid  
All that drip, you drown, you drip  
You drown, drip-drip, drown-drowned in it  
All that drip, you drown, you drip  
You drown, drip-drip, drown-drowned in it  
(I was told) Make money, don't let the shit make you  
(That the code) Be yourself, they-a better respect you

I told her hurry it up, she in the tub man  
The world filthy, want no scrubs  
Need the TLC, gimme the love  
We was chilly, chill, caught my left eye at the club  
Nowadays hoes asking, "Where my hug?"  
I'm like, "Uhh"  
"Oh my God Smino, Smi"  
Hey, how come every time I come out this muhfucka  
You in this muhfucka tryna show out in this muhfucka?  
I'm tryna catch my muhfuckin' groove out dis ho, man, watch out
