

All I wanna do is zooma zoom zoom  
In the boom boom  
I get some time off every blue moon  
Fall in with the crew, Zero, who you  
Nigga caught Alzheimer's  
Never been a small timer  
Whoa mama  
Pop it like she goin thru it  
For poppa  
Later she gone tell me all a-about it  
I sippy suck dem titties like a bottle  
Drunk in love of a the d cups  
My re up

Grand everytime  
Like where I'm staying in the Chi  
Grand like where them art kids in the south be in the Lou  
But don't trip nigga art niggas be strap up still too  
Tryna be safe, tryna be sane  
Smoke a 8th, drank a 5th witcha  
I'm tryna dip witcha  
Split a big picture  
Turn this zero shit to 6 zeros  
5 years from now this time be on my 5th world tour  
My vision clearer and my skin too  
Water inside me got me feel like  
I'm immortal, oh my Lord  
My 2 cents in it turned it to a quarter  
Played the lotto with it made a dollar  
Nigga whole time been all about the product  
Patent leather on the fuckin pradas  
You can't copy, what I write to saucy  
Signature the sound, Lil Monte got me  
Y'all gotta pay "nigga you crazy"

Zero straight zoomin, it's a Zoovie  
Striped out zebra crew, Z4L (yup yup)  
Til flip the coupe  
Do the damn dash  
Hit the dame dash dance  
Fuck the lame dat gotchu mad  
Leave em in yo past  
Tense okay okay I got dis OG Gas

Rinse ya face with dusse baby don't spazz  
It's all an illusion if yo chest hurt  
It's Just da sauce lil baby my bad (yea)  
Get her some water  
She sweating she never-ne-never been this high before  
Listen lil baby Ima reverend  
It's Smi D Jakes  
I gotta tell you bout something  
Lay on my chest smell this burberry, ooh  
Something boutchu you just so different nah  
You just might the baddest thing in the room  
Tippy toe up out da house
