

All The Best Moves

Smith & Burrows

Do you relate?
Am I just wasting time?
Can you not collate
I'm just so versatile
And it all comes down like a barrel of bricks
I'm an okay guy in a bar full of pricks
We've got our whole damn lives to discover the new
Everything's better when there's nothing to do

I got all the best moves, you know
I just don't want to see the show
It don't get much worse, it don't get much better
(It don't get much worse)
This TV won't watch itself
(It won't watch itself)
I love the snow, I love the rain
Here comes the sun, it's all the same

Get me a car, get me a limousine
And take me out to the music scene
On second thoughts I saw this thing on the news
Kids getting killed for the shoes that they chose
Sometimes life's meant to pass you by
We're all so small look at the size of the sky

I got all the best moves, you know
I just don't want to go to the show
It don't get much worse, it don't get much better
(It don't get much worse)
This TV won't watch itself
(It won't watch itself)
I love the snow, I love the rain
Here comes the sun, it's all the same

When I'm in bits, I'm a better man
Play me the hits, I don't need a tan
I can't be on the other side of the world
My TV dies it's a bitch to uphold
I'm happy here in the grip of my shakes
Even Doctor Jones is afraid of the snakes

I got all the best moves, you know
I'm so busy laying low
It don't get much worse, it don't get much better
(It don't get much worse)
This TV won't watch itself
(It won't watch itself)
I love the snow, I love the rain
Here comes the sun, it's all the same

It don't get much worse, it don't get much better
(It don't get much worse)
This TV won't watch itself
(It won't watch itself)
I love the snow, I love the rain
Here comes the sun, it's all the same
