

## On and On

Smith & Burrows

All the songs that I've sung you  
More often than you know  
You're the love that I've clung to  
More often than I've let it show

And I wish you would leave me  
And I wish you would go  
And I wish you didn't need me  
And I wish I didn't love you so

Cause I just can't go on  
So please don't do me wrong  
No I won't do you harm  
My love for you goes on and on

There's no one else I want beside you  
Give me your coldest shoulder to cry upon  
You're never anywhere I find you  
You're never anything I rely upon

And I wish you would leave me  
And I wish you would go  
And I wish you didn't need me  
And I wish I didn't know

That I just can't go on  
So please don't do me wrong  
No I won't do you harm  
My love for you goes on and on and on and on...

And I wish you would leave me  
And I wish you would go  
And I wish you didn't need me  
And I wish I didn't love you so
