

## Dreams

Smith Westerns

Can't get you outta my mind  
Dreams of you all of the time  
Always sunny when i am with you  
Out here dreamin' too

Pretty dahlias in your hands  
Wake up in a distant land  
Always sunny when i am with you  
Out here dreamin' too

Dreamin'  
Dreamin' of you  
Do you dream of me?

Wake and my dreams come true  
So i can be with you  
Always sunny when i am with you  
Out here dreamin' too

Is sleepin' such a crime  
Wanna do it all the time  
Always sunny when i am with you  
Out here dreamin' too

Dreamin'  
Dreamin' of you  
Do you dream of me?
