Always I'll talk to you  
for a sunshine and catch a view.  
Followed your every move, pretending to be to just like you.  
I-I-I never seen you look so past,  
I-I-I-I wish could see you down side.

Had you walk  
To see a few...

Tell me tell me has it?  
I'm not sure.  
Everyday is a bless, and  
Everyday is an end.  
Oooh oh oh.  
Tell me tell me has it?  
I'm not sure.  
Everyday is a bless, and  
Everyday is an end.  
Oooh oh oh.

...  
I-I-I tryna look you in the eye  
I-I-I kiss the last goodbye.

Tell me tell me has it?  
I'm not sure.  
Everyday is a bless, and  
Everyday is an end.  
Oooh oh oh.  
Tell me tell me has it?  
I'm not sure.  
Everyday is a bless, and  
Everyday is an end.  
Oooh oh oh.

So, you said it was a joke  
And there's no else to believe in.  
So, you said it was a joke  
And there's no else to believe in.  
So, you said it was a joke  
And there's no else to believe in.  
So, you said it was a joke  
And there's no else to believe in.
