

My Heart

Smith Westerns

Oh, it's coming fast
Oh, I'm in the last
Hope you know I loved you from the start
That these things are tearing us apart
I swear I'll give you my heart
Wooah, wooah, wooah, wooah
My heart

Hands on my heart
Don't you look at me girl
If you wanna get out

Oh, it's coming out
Oh, I don't know how
Don't you know I loved you from the start
That these things are tearing us apart
I swear I'll give you my heart
Wooah, wooah, wooah, wooah
My heart

Hands on my heart
Don't you look at me girl
If you wanna get out
