

Tonight

Smith Westerns

We're dancin' and we're havin' fun
I'm dancin' with my number one
And the night is goin' fast
I hope that it will last

Everyone who's all around
Gettin' up and gettin' down
To the groovy beat
Come on everybody move your feet

Get loose, get raw
Get wrong, get right,
Tonight

Hey baby you're lookin' fine
Hey baby you're right on time
And the night is goin' fast
I hope that this will last

The party's over but that's alright
We'll go and dance at home tonight
To a groovy beat
Come on everybody move your feet

Get loose, get wet
Get wrong, get right
Tonight
