

## Bathroom Floor

Smog

Bloody rag and a broken string of pearls  
On your bathroom floor  
When I overheard your mother say  
"maybe she's just a late bloomer"  
But what she didn't know was  
Oh, what she didn't know was  
You'd already bloomed and died  
Bloomed and died  
Bloomed and died  
Bloomed and died
