

Bloodflow

Smog

Hold on hold on hold on

Hold on hold on with a grip so tight
It dams my blood makes my head feel light

Hearts will start and hearts will stop
And the blood will flow until we drop

Bloodflow!
Bloodflow...

No time for a tete-a-tete
Can I borrow your machete
In this wonderful world
In this wonderful world
Hold on

Blood will spill and blood will spurt
Enemies keep the mind alert

Bloodflow!
Bloodflow..

No time for a tete-a-tete
Can I borrow your machete
In this wonderful world
Hold on
In this wonderful world
Hold on

Hold on hold on with a grip so tight
It dams my blood makes my head feel light

Bloodflow!
Bloodflow..
