

Big Steppa

Smoke DZA

Yea

Yea

Kushed God, bitch

Uh

Big, big steppa got two foreign hoes
Got through on rose
Got two on froze
Got too hot for me, had to move on those
Kushed God, iceberg still a nuance though

I got it depending who's asking, who wan' know?
No risky business popping 'cause I'm too on toes
Thousand grams got some ends, my whole pantry is loud
If you can't get 'em in, shit my man'll bring 'em down
Big boy dweller with the champion down
Could get you Pam Grier then and Pam Grier now
Big boy budgets uh, stand in the crowd
Nigga shocked, eyes wide like a family of owls
Gotta switch it every season, copy ran with my style
Big homie with the blueprint I'm just handing it down

Big, big steppa got two foreign hoes
Got through on rose
Got two on froze
Got too hot for me, had to move on those
Kushed God, iceberg still a nuance though
Uh, big steppa, big necklace, big flexes
Big R-F-C in big letters
Yea

Ayo
Bucket hat flipped with the CDs
40s got perfect titties on it like RiRi's
All you heard is dumping, seen niggas dancing
Cullinan match the Vlane [?]
If you don't want ten, don't even bother me
My work flipping in the pot like Matt Hardy
White on white, stones looking godly
Givenchy trench coat with the doggie
Dior ski boots in the summertime
Ain't shit sweet, I been to the feds a couple times (Free DC Black)
God every visit, commissary wizard
Some days I want Dream Doll, some days I want SZA
Some days I want [?], some days I want [?]
Two gut shots, that nigga broke down

Big, big steppa got two foreign hoes
Got through on rose
Got two on froze
Got too hot for me, had to move on those
Kushed God, iceberg still a nuance though
Uh, big steppa, big necklace, big flexes
Big R-F-C in big letters

Ron Isley complimented my jacket outside the Madison
That was back when we didn't need these masks and shit

I downplayed it and I laughed a bit
Woman I was with was attracted to this
Humble stunting, my macking is slick
Coconut Beach, Polo island print, a white tee
Chains, a whole lotta ice, mama, pina colada
Razor Ramon, sharp as the Excalibur pulled from the stone
Fuck you looking at
Little niggas in my VIP got in with they bookbags that rat-tat-tat
Come up short no coming back [?]
Ferrari caused a heart attack because her daddy back
Everything in order and she just can't wait to show me that
Big steppa, Air Force Ones in premium leather, the best weather
Smoking big in the Bape showroom, putting some outfits together

Big, big steppa got two foreign hoes
Got through on rose
Got two on froze
Got too hot for me, had to move on those
Kushed God, iceberg still a nuance though
Uh, big steppa, big necklace, big flexes
Big R-F-C in big letters
Yea
