Came up on dipset immunity
Put some vs on my jewelry
Dawg I ain't with all the foolery
Classically harlem I'm too elite
Shit is luigi or skittle I chill for a little I'm back for like two or three
Could give you the game it come fluently
Break it down for ya to a T
Shit we was runnin from truancy
Now we in gated communities
All of the neighbors could google me
All of ya favorites is cool with me
Turn this shit up just a notch
I got a couple of blocks
Still got the money in knots
Numbers is better the package just landed
I'm gucci the thought got me lickin my chops
I go to paris to shop
I roll around in a drop
I ain't to fond with the wildlife but my shorty wearing a fox
Come thru and shut down the spot
Heat check heat check just a lil bit so we could feel it out
Big bags I been about
All they want is a lil clout

Swear this life we livin
Errthang come with it
Money cars and the bitches
Errthang come with it
Fake niggas doin fake shit
Man it always come with it
Man it always come with it
Erry thang come with it

Swear this life we livin
Erry thang come with it
Money cars and the bitches
Errthang come with it
Fake niggas doin fake shit
Man it always come with it
Man it always come with it
Erry thang come with it

Its winter but it feel like june to me
Hustlers we make it cool to be
You niggas is groupies its new to me
You dusty and I got the broom with me
Briscoe my nigga you know that we playin for keeps when I got the goon with me
Off parole he soon to be
Eye to eye with the math get in tune with me
Rest in peace chinx drugs last time I seen em in the tombs with me
Get high as the moon with me
Cuzzin todd in the room with me

6'2 250 give or take if I got the tool with me
Went half with nym he ballooned with me
Took the work to maccoombs with me
I got the hookup
My cousin known as a cooker
He always get to the mugga
I told him I'll pullup
Give and go warren to booker
Went shoppin in Phoenix and picked up some sugar
Nose candy got em frostbit ears full of boogers
Flyin down to freeway Dirty scared they gone pull up

Swear this life we livin
Errthang come with it
Money cars and the bitches
Errthang come with it
Fake niggas doin fake shit
Man it always come with it
Man it always come with it
Erry thang come with it

Swear this life we livin
Erry thang come with it
Money cars and the bitches
Errthang come with it
Fake niggas doin fake shit
Man it always come with it
