Riiiiighhhttt!  
The voice of the voiceless, hopeless  
Money never made me being broke did, know this  
Kill these mothafuckas no notice  
No really, the haters no biggie, I was high when it hit me  
Niggas rather see me filthy, not filthy rich, shit, homie health is wealth  
I'm at the juice bar taking bar shots, thinking what I'm about to scoop up from the car lot  
See you at the bank? Or not. I told Steve after this the price going up!  
Shit, cause I'm Really Fuckin' Cool, Really Fly and Comfortable  
Really Fuck Your Crew, Really Flippin' Caine, Really Stunt on You (Oh Shit!)
