

## Flowers

Smoke DZA

Listen to your heart (to your heart)  
Tell them that you love me (love me)  
Listen to your heart (to your heart)  
Tell them that you love me (love me)

(Yeah) Being delusional's a sickness and hate is a real thing (Uhh)

Lost good friends for nothing that thought is a real sting (Word)

Success is cool but its never fulfilling  
Survivors remorse is a hell of a feeling  
Tell you love me while I can say it back  
Streets is a myth ain't no love in that  
Ignorance blacks killing other blacks  
Pissed like the sun got the nerve to shine (Uhh)

First to blame stares then assert the crimes  
We living in the worst of times

Best thing to keep your energy pure stay alert for signs  
Its a tough pill to digest at any cost

Lost two brothers same day a year apart (Year Apart)

(Listen to your heart) to your heart)

Tell them you love them while they can hear it (Tell them that you love me) love me)

Give them they flowers while they can cure it

Positive energy through the spirits

I can feel it (I can feel it)

(Uhh)

(Listen to your heart) To your heart)

Tell them you love them while they can hear it (Tell them that you love me) love me)

Give them they flowers while they can cure it

Positive energy through the spirits

I can feel it (I can feel it, I can feel it)
