

# Legend Has It

Smoke DZA

Gotta feel it in my soul  
Pause  
CThaSound

Ugh, I got a stash like everywhere around me (Right)  
Gotta get this money, go no time to chill y'all  
I'm at the Fillmore in D.C. (Ugh), stage blowin' Chi Chi (Gorilla Glue)  
Tapped on the Westside, God bless the TP

Black been home a couple months, back on his feet, B (Right)  
Had about a hundred steaks, still eating chi chi (Ha ha)  
Legend has it I coulda been in the D League (Huh)  
Legend has it I'm moving them boxes easy  
A cold package would have a nigga with the jeebies  
This the type of shit you televise from the TV  
No child's play, this ain't PG, nigga  
I'm more TM1 Young Jeezy, nigga  
I'm more Big Poppa with the Ceaser, nigga  
Got a good clip for niggas like TSA, ugh (Huh)  
I'm a product of project witch play  
Greatness in my DNA, born with the template (Right)  
Scoop up my lil homie, the system draining  
Show him the indepen' way  
He like "in like 10 years? ", nah in like 10 days  
We gon' get the masters back

Ugh, I got a stash like everywhere around me (Right)  
Gotta get this money, go no time to chill y'all  
I'm at the Fillmore in D.C. (Ugh), stage blowin' Chi Chi (Gorilla Glue)  
Tapped on the Westside, God bless the TP

Contract killas and contract killers (Ugh)  
Lawyers and shooters, they both retain (Ugh)  
Every loss was a lesson, I can't complain (Ugh)  
All the flaws was a blessing and all a pain (Right)  
I been chose longevity over fame  
Our purposes is not the same (Uh huh)  
Legend has it, I snuck 5 up on the plane  
Legend has it, across the border, did the same  
Hella weed, allegedly, legend has it (Legend has it)  
The Kush God title ain't just a name  
Fuck it, it's self-proclaimed, whatever (Whatever)  
N.Y. nigga, I ain't used to the warm weather  
You worried about the title, I just care about the farm cheddar  
Imma let you rap niggas argue whose songs better (Ha ha)  
I'm not compliant, I'm talking compliance

Ugh, I got a stash like everywhere around me (Right)  
Gotta get this money, go no time to chill y'all  
I'm at the Fillmore in D.C. (Ugh), stage blowin' Chi Chi (Gorilla Glue)  
Tapped on the Westside, God bless the TP

God bless  
Travel safe  
Really?
