

24s

Smokepurpp

Whoa, thick ass bitch, nigga, what's your type?
Long black hair, hit that bitch from behind
I'ma spend a bag on her, oh
Throw my cash on a ho

Dubai bitch, nigga, what's your type?
Yeah, I'm in the club throwin' money all night
I think I'm in love with a ho
She in love with the pole

Yeah, I'm lil' Purpp, watch how I'ma do it
Bitch, I'm in the kitchen and I whip it like a scooter
Bad college bitch, give me brain like a tutor
Fuck that lil' ho and take a flight to Bermuda

And I'm off the lean
Chopper stock with the beam
Yeah, shorty, go, go, and she on the pole, pole
She don't like me but I think she like this coat

Blizzard, blizzard on my neck, make it snow in the nightclub
And she got a boyfriend but I don't give two fucks
Got the bouncer trippin' 'cause I came here with my two cups
Bad lil' bitch give me head like Medusa

Thick ass bitch, nigga, what's your type?
Long black hair, hit that bitch from behind
I'ma spend a bag on her, oh
Throw my cash on a ho

Dubai bitch, nigga, what's your type?
Yeah, I'm in the club throwin' money all night
I think I'm in love with a ho
She in love with the pole
