Two bitches on me, wanna suck me dry
Bitch I mopped the porch like a drive-by
Money so long it might touch the sky
I can see that fake through that Fetty eye
Pull up 'rari coupe
Smokin boof in the booth
Pull up 'rari coupe
It's got no roof
I drank mud, out the mug
Mix with shade, diamond flood
I drank mud, out the mug
Mix with shade, diamond flood
Aquafina diamond look like river
I might fuck her auntie and her sister
Keep a choppa on me, I'ma slaughter
Yea bitch I'm a dog like I'm Goddard
