A Lau on the beat!  
Lil Purpp bless yo trap  
Hey, Tony!  
Young Gunna bless yo drip  
Oh, yeah

Amiri jeans hold the tech, that's how I be stylin'  
That lil' bitch gimme that neck, take her on an island  
A-A-AP with the baguettes, my wrist waterslidin'  
Run up that check at the mall, you know that we wylin'  
Run up that check at the mall, you know that we wylin'  
AP with the baguettes, my wrist waterslidin'  
Run up that check at the mall, you know that we wylin'  
A-A-AP with the baguettes, my wrist waterslidin'

Please don't tell me these yours, these new Christian Dior  
Eat rich and used to be poor, get me that lean and I pour it  
Your girlfriend sticky like floor, yeah I know you saw it  
Heart prints on my heart, Comme des Garçons  
Got in my bag like chips, slap that dick on her lips  
Lil Purpp bless yo trap, Young Gunna bless your drip  
In dreams, got weed in my lap, yeah that man filled three zips  
Snake belt around my waist, holding up extended clip

Amiri jeans hold the tech, that's how I be stylin'  
That lil' bitch gimme that neck, take her on an island  
A-A-AP with the baguettes, my wrist waterslidin'  
Run up that check at the mall, you know that we wylin'

Ran up that check at the mall, we just bought three cars  
I can't shop at no mall, I hit Neiman Marcus  
Got a big Draco my lap, but I only need two shots  
Bitch suck my dick three times, and I ain't even talk  
Big smoke, riding 'round town with my wrist froze  
Brought that bitch from the strip home  
Turn that bitch into a rich hoe (Lil Purpp!)

And I'm still serving them Xannies  
Lil' bitch came in with no panties  
Boy want beef with my gang though  
We gon' hit you and your family
