Smokepurpp

Brrat

Hey, Tony!

I don't wanna fuck a single bitch, I want a double (wooh)  
Bitch, I keep the piece like I came here with a puzzle (grr)  
If he actin' crazy, I'ma pop him like a bubble (grr)  
Bitch, I came to fuck, I did not come just to cuddle (woah, woah)  
Bitch, I'm smokin' dope up in yo mama living room  
See me in a ghost one time, then you hear a zoom  
Nigga try to test me, whole town gonna hear a boom  
She just sucked my dick for 3 hours, and she gon' resume

My bitch like Madonna, maybe like Rihanna  
Niggas wanna try me, I don't think they wanna  
Plant 'em underground like a motherfucking farmer  
Guns all in my house, got me feeling like Osama  
I got mob ties, got me feeling like Obama  
I just want a side bitch, I don't want no drama  
I know that's your main bitch, you can meet her momma  
Bad lil bitch, she a nympho  
In the club, I just popped a half a benzo  
Bitch, we got Glocks with extendos  
See you in your hood, pop out the window

I don't wanna fuck a single bitch, I want a double (wooh)  
Bitch, I keep the piece like I came here with a puzzle (grr)  
If he actin' crazy, I'ma pop him like a bubble (grr)

See me in a ghost one time, then you hear a zoom  
Nigga try to test me, whole town gonna hear a boom  
She just sucked my dick for 3 hours, and she gon' resume

I got the Glock up in my lap, with the Draco under the seat  
We pulled up on your street, then I put your ass to sleep  
Just like LA Capone, my niggas we playing for keeps  
He was talking out his neck, so I shot him in his teeth  
If you jump up in that water, best believe that shit deep  
Sticking to code, no bending or breaking  
The money keep calling, you not in the race  
This chain on my neck, I dare you to take it  
As soon as you reach, I cook 'em like bacon  
Got the glizzy on my hip, when I walk in, pull my pants down  
When I up, you better dip, gon' hear a hundred gun sounds  
Nigga, we ain't playing, get to spraying, I'ma lay 'em down  
Free all my niggas, they be jailing in that dog pound  
Suppressors on my choppa, when I shoot, it don't make a sound

I don't wanna fuck a single bitch, I want a double (wooh)  
Bitch, I keep the piece like I came here with a puzzle (grr)  
If he actin' crazy, I'ma pop him like a bubble (grr)
