

Let's go, let's go
Yeah, let's go

Hangin' out the Scat, with a Draco
Shooters gon' shoot, 'cause I say so
Put all my killers on a payroll
Beat the pussy up, I got it creamy
Shawty say her pussy is the meanest
She the chosen one, she get the penis
VVs on my neck, I turned anemic
I just popped a Perc, I'm fighting demons

Came in this bitch, I got snakes on my collar
Fucked her once and I prolly won't call it
Bitch, I'm busy, I'm out chasing dollars
I'm a dog like I need me a collar
Why he in the trap? We don't know him
Slime his ass out, I'ma show him
I don't knock on doors, kick the door in
If the Glock can't come, then I ain't goin'
Fuck it, switch the beamer to Mercedes
Make the chopper sing, Mariah Carey
I can't fuck with rappers, 'cause they scary
Pussy tight, I thought I popped a cherry

Hangin' out the Scat, with a Draco
Shooters gon' shoot, 'cause I say so
Put my whole gang, on a payroll (Ha-ha-ha-ha, your ass gon' die)
Beat the pussy up, I got it creamy
Shawty say her pussy is the meanest
She the chosen one, she get the penis
VVs on my neck, I turned anemic
I just popped a Perc, I'm fighting demons

For the gang, I'ma hold on these racks
Nigga play with that shit, he get whacked (Bitch)
I'm goin' Bottega and Marni my hat
Bitches come over, they don't wanna go (Yeah)
I got a habit, I'm icin' my hoes
One, two, three, four bowls out the door (Bowls out the door)
Triple my money and fuck on a hoe
Sapphire, emerald and VS1 stones (Yeah)
Bitch better praise me if she the one chose
Runtz in the air when I walk in the door (Walk in the door)
Dior Sauvage when I walk in the door
Bitch finna praise me if she the one chose (Yeah)

Hangin' out the Scat, with a Draco
Shooters gon' shoot, 'cause I say so
Put all my killers on a payroll
Beat the pussy up, I got it creamy
Shawty say her pussy is the meanest
She the chosen one, she get the penis
VVs on my neck, I turned anemic
I just popped a Perc, I'm fighting demons
