Me and Ronny do a million in the vault
She said the coup look like a cocoon
VV's dripping on my shirt like a typhoon
Label meeting, I got Codeine in the room

This a V12, you can hear it the room
Soundproof windows, you can hear it in the zoom
Fuck a opp bitch, you just bought yourself a tomb
And I still get checks that they don't know about

I'm still shipping pounds out to my ma's house
Big ass crib, that shit look like a mall house
Come get you some pussy, this a thot house

I, I got raws, lil' bitch
I got Glock, lil' bitch
You get popped, lil' bitch
You get slaughtered, bitch
Fuck your taller, bitch
I'm a Florida Jit
