

New chains around my neck  
Lil Purpp  
Red Drum on the beat  
Lil Purpp  
Lil Purpp  
Lil Purpp  
DJ Flipp, make the money flip!

I'm on the block  
Sipping wok  
Lean lean, wok  
Lean lean, wok  
I'm on the block  
Sipping wok  
Lean lean, wok  
Lean lean, wok  
Lean lean, wok  
Lean lean, wok  
I'm on the block, bitch you know I keep the Glock  
I'm in the Chevy, boy I'm moving with a thot  
Glock .45 came with 30 shots

It's Lil Purpp, Lil Purpp bless yo trap  
If I ain't blessing than I'm kicking in that trap  
Kick dope, kick dope  
Everybody to the motherfucking floor  
AK-47, let it blow, lay a nigga on the floor  
Now his body looking cold  
Leave a nigga with a toe tag  
Toe tag, bitch I'm at the mall, popping both tags  
And my teacher had a fat ass  
I was skipping class, in the bathroom serving nick bags  
Serving percy bar, serving xanax bar  
I'm the only nigga at school with a foreign car  
Niggas asking for the recipie  
'Cause I've got the sauce, niggas tryna get the best of me  
Niggas testing me, niggas checking me  
Niggas pressing me, they won't get a cent from me

I'm on the block  
Sipping wok  
Lean lean, wok  
Lean lean, wok  
I'm on the block  
Sipping wok  
Lean lean, wok  
Lean lean, wok  
Lean lean, wok  
Lean lean, wok  
I'm on the block, bitch you know I keep the Glock  
I'm in the Chevy, boy I'm moving with a thot  
Glock .45 came with 30 shots
