

# I'm Him

Smokepurpp

Ronny J, please, turn me up

Double R truck, I'm him  
Pockets on fat bitch, slim  
Yeah, I been ballin' out the gym, no rim  
Don't play with that boy, his shooters gonna hit

Better bitch bad, she play  
50 on the pinky, look like snowflakes  
Pop an X pill, hop right on stage  
Fucked her one time, told her to go dat way

Double R truck, I'm him  
Pockets on fat bitch, slim  
Ballin' out the gym, no rim  
Don't play with that boy, his shooters gonna hit

I got a bitch, she gon' set up a play for me  
Love all my niggas, put you in a grave for me  
Ride with them sticks, you get cooked like a bakery  
Keep a bank, oh yeah, that motherfuckers stay with me

Stack it up, dog, I'ma get mine  
Big Patek on my wrist, that bitch shine  
These niggas broke, yeah, their pockets look hungry  
Shit funny, remember when they was a bummy?

Put 17 bands in the trap, they gon' trust me  
They chose me, the packs on the way, we gon' rush it  
Might fuck on that bitch, she can't stay with me  
Won't let her play with me, she get lucky if she lay with me

They had it on me, it made me go hard again  
Bed for my bitch, only time that she smarter  
Put them in a sauna, only time they hotter  
Sure that made me talk, my jewelry on water

Double R truck, I'm him  
Pockets on fat bitch, slim  
Yeah, I been ballin' out the gym, no rim  
Don't play with that boy, his shooters gonna hit

Double R truck, I'm him  
Pockets on fat bitch, slim  
Ballin' out the gym, no rim  
Don't play with that boy, his shooters gonna hit

Don't mess with them shooters  
Put a hole in your medula  
Everybody think they a tough guy  
'Til they gon' missing, now I'm in Cuba

Bentley truck, say "Hallelujah"  
They love, they miss, they knew ya  
You coulda had a future  
But you just threw it all away

Seen them boys peeking around the corner, you sippin' on Corona  
Marvelous spent like a 'rona  
And I was in the air like aroma, I want the smoke  
Bitch, I'm a motherfucker stoner

Still be a loner, solo dolo  
Black like Zulu, still rock Polo  
Keep the semi-auto, RIP Lato  
That's my motto, see your ass tomorrow

Double R truck, I'm him  
Pockets on fat bitch, slim
