Look, I can't fuck with boogers; nigga's weirdo's
Blowing hella 0's, fucking hella hoes
Booling with my toolie, cooling with my foolie
My clip hold a 30, we could shoot a movie
Shout out flex, that my blood, shout out twin that my cause

Boy come get this pressure [x6]
Y'all still trappin' all the time, why you calling me
Why you stalkin' me, nigga's watching me
And my chain lit the room like Christmas Tree
I don't got family b, I got money tree
Shout out WARHOLL, feel like Master P
Feel like I'm Ali, Feel like Rocky
Put a.7 to the head, feel like Bobby
Niggas sleep on me, niggas catchin' Z's
I might count up, might count up [x4]
Told her to suck dick up on the counter
I might count up, might count up

Got it out the mud by myself, praying to God and my 30; need no help
