Came in this bitch with a Mac

Gelato, I'm smoking on wax

You could get shot from the back

Drip drip, chains in my neck look like piss

Hundred round drum with the stick

Diamonds all over my wrist

I just walked in with your bitch

Glock seventeen with a grip

Shoot Donald Trump in the lip

I put a Xan in my drink

I'm in the club and I twist it

Money is taller than midget

Walk in the store and I pick it

Xan got me spinning like fidget

I got Balmain on my waist

Eskeetit all over the place

Mama whipping every day, huh?

Grandma whipping like a slave, ouu

100 Mollies in the safe, ouu

And my lawyer selling yay, yea
