

## Regrets

Smokepurpp

Purpp Digital, Digital Purpp  
All these chains on me  
All these chains on me, nigga  
Got purp water on this side

I did some things I regret  
Young nigga came from the Tex  
That's why I sip on this mud  
I did some things I regret  
Riding around with that tec  
I did some things I regret  
Murder, murder, murder  
I did some things I regret  
I pick up the check and I stretch  
Young nigga fuck on his ex  
I did some things I regret  
Still ride around with that tec

All my niggas baked  
Kick in that door like Liu Kang  
I told you, Lil Purpp got crack  
I hit that bitch from the back  
I hit the bitch with a sack  
Sonny rollin' grams of wax  
You ain't top this lil nigga  
Do this for fun lil nigga  
You betta run to your nigga  
I keep a gun lil nigga

I did some things I regret  
Young nigga came from Tex  
That's why I sip on this mud  
I did some things I regret  
Riding around with that tec  
I did some things I regret  
Murder, murder, murder  
I did some things I regret  
I did some things I regret  
Young nigga came from the trenches  
That's why I sip on this mud  
I did some things I regret  
Riding around with that tec  
I did some things I regret  
Murder, murder, murder  
I did some things I regret
