Tell it from the 10, I want everybody see me
Brand new truck came with 6 TVs
VVS diamonds, they the one that blinded Stevie (Wonder)

How the fuck I got lost in my house?
Let him test me, he try to run off
So I left that lil nigga deceased on the ground

Dig his grave up right under a towel
Then walk away with a smile (ha)

Brand new G5 came with a new pilot
Nigga can't see it cus we chilling on reserved dollars
Still poppin shit when there's no cameras

Carti my glasses, Carti my watch
