

Tsunami

Smokepurpp

Everybody lost to win
You can't keep on blundering
For the cash I'm jumping in
All them folks be wondering
Know they like to pick and choose
All my pockets full with blues
I'm with purp we got the juice
Jump in the jet no time to snooze

I cannot relate to you cuz I'm making way too much money
You was trying stab me in my back you must think Ima dummy
We do straight business over here we don't do nothing funny
Swear to god I pull up with the drip yeah I'm like a Tsunami

I just landed from the flight
Big purp we hit 'em on sight
One shot it better go right
50 racks on me that's light

You know we gonn slide in that black suburban
We gonn get it whole the team determined
Brand new rarri that's the newest version
I live like this I don't need no reversion

Everybody lost to win
You can't keep on blundering
For the cash I'm jumping in
All them folks be wondering
Know they like to pick and choose
All my pockets full with blues
I'm with purp we got the juice
Jump in the jet no time to snooze

Catch em lacking snooze you lose
Bitch a eater fucking coos
In the trap still serving blues
Walk em down he had no clue

Ey, we on his block we yellow tape it
Choppa shoot a movie
Feel like a Neo in the Matrix
All these bitches choosin better treat em like they basic
Bitch, I'm smokin' opps I rolled a wood up and I face it
Grrp pa
This tommy gun just got a scope on it
G-Consta and a Rarri told these bitches come and twerk on it

We don't talk the twelve is 187 fuck the pigs
Pussy boy want smoke we bring that smoke just like a sig
He tough on the net my niggas jumping in his crib
Leave em julen on the concrete
Someone pass that boy a bid

Everybody lost to win
You can't keep on blundering
For the cash I'm jumping in
All them folks be wondering

Know they like to pick and choose
All my pockets full with blues
I'm with purp we got the juice
Jump in the jet no time to snooze

Everybody lost to win
You can't keep on blundering
For the cash I'm jumping in
All them folks be wondering
Know they like to pick and choose
All my pockets full with blues
I'm with purp we got the juice
Jump in the jet no time to...
