Shawty want a new ass, put some shots in her butt
Yeah all foreign cars when the gang pull up
Yeah all foreign sticks when the gang pull up
Nigga reach for a chain then we send his ass up
I got hoes in the lobby and they can't get up
Tell em come to the pent we got all types of drugs

Swerving a big body with the gang
And we keeping blickies we ain't worried bout a thing

Hop out the sun room
Shoot em then we pull up
Bitches on their way don't tell them hold on
She just wanna fuck me cause my jewels
Diamonds on my neck I'm feeling cool
Fuck her then I pass her to my crew
They say damn Hermes this is so fire
Bitches wanna see me walk up in the stu
Foreign cars, now we got a movie
We call them hoes, groupies
I gave her a shot, and she gave me one
And now we faded

So if you broke you ain't gone slide then you a bitch huh
Told my niggas I won't ever ever switch huh
